

FUNC MOBILE VIDEO CONFERENCE

Video conferencing on wheels.

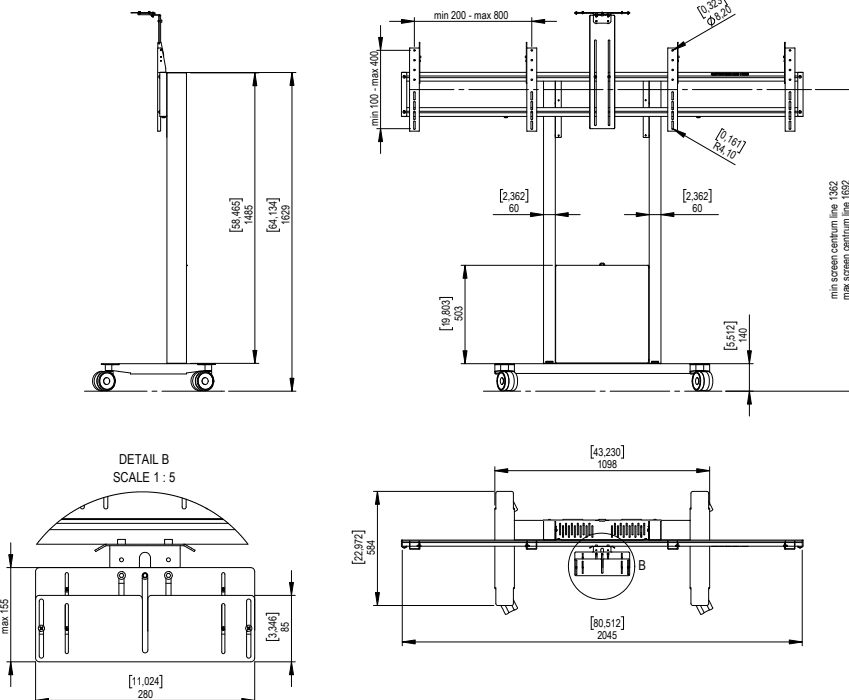

Func Mobile Video Conference is a great option for large and heavy displays, due to the very stable design. Thanks to lockable wheels it is easy to move the unit between rooms.

A storage box is included, for e.g. mini PC, codec or laptop, easily accessed from the front. The box can be locked with a padlock (not supplied). The displays can be secured with screws (included) or padlocks (not supplied) which provides increased personal safety and protection from theft.

A black camera shelf is included.
